### ANGEL TREE A HUGE SUCCESS

Once again the WOTM and the LOOM of the Wauconda Lodge demonstrated their great generosity by presenting Forty Eight students at Mooseheart with Christmas gifts.

On December 1, members of our Lodge delivered gifts to the students that were on the Angel Tree. It was very gratifying to see the expressions of joy on their faces when they opened the many packages.

Once again this what being a Moose member is all about!

Special thanks to Sandy and Jack (ELF) Jordan for chairing this great project and all of the LOOM and WOTM for their fantastic generosity.

## Volunteers Needed!

The Wauconda Moose Lodge owes much of its success to the outstanding volunteers that serve. No one receives a salary or is a paid employee. We are able to offer food and drinks below market prices because of these gracious WOTM and LOOM members. The volunteers also help maintain the lodge and chair important functions for our members and their families. As an example the remodeling of the social quarters, kitchen, addition of the vestibule at the entrance and the installation of the new door to the future patio was accomplished with volunteer labor.

We are in desperate need of cooks and helpers for preparing wings on Monday nights, tacos on Thursday nights, hamburger cooks for Saturdays, steak grillers for the second Saturday of the month steak fry, and fish fryers for the 4th Friday of the month fish fry. The burden of cooking has rested on the shoulders of a few of our members as of now. Helpers and clean up crews are also needed for these nights. If any of our WOTM and LOOM members could volunteer for at least one evening it would reduce greatly the burden of our current volunteers. If you don't want to cook there are opportunities for you to help prepare the side dishes and clean up. There is a sign up sheet in the vestibule of the Lodge with the dates and times that are available for you to assist the Lodge. Please contact the chairman or call the Lodge if you can volunteer.

Chairpersons:

Saturday Steak Night - Ed Lochmayer

Saturday Hamburgers - Chris Esvang

Friday Night Fish Fry - Joe Nichele

Thursday Night Tacos - Carol Holt

Monday Night Wings - Carl Waggoner

## ***ANOTHER THANKSGIVING DAY SUCCESS***

Bright and early on Thanksgiving Day the Wauconda Moose welcomed 60 U. S. Navy recruits and 8 Naval ROTC members from Mooseheart to our Lodge. They were served a delicious meal, provided access to computers and I pads, went bowling, played videos at the American Legion hall, sang karaoke, and just had a good time. Pilgrim Don Kutinac and Lisa Keeton were the chairman of this event for the 21st year. The Wauconda Moose Lodge would like to thank the many volunteers, local establishments and Moose members for donating food, the Wauconda Bowl, the American Legion Riders, the Wauconda Fire and Police Departments, and American Legion Post 911 for making this day so successful.

## ***Meat Raffle for Pack 290***

A meat raffle was held on Dec. 1 to raise funds for the maintenance of the Cub Scout Pack 290 equipment trailer.

The Wauconda Moose Lodge has chartered or sponsored this Cub Scout Pack for over 50 years. The trailer is eleven years old and is owned by the Moose Lodge. The lettering has faded and we want to replace it. We want to add lettering indicating that the Moose Lodge charts Pack 290 and install lighting in the trailer for night activities.

Twelve meat items were raffled and a special raffle was conducted for a five pound prime rib roast. There were also two items auctioned off using the silent auction method. An autographed baseball by Javier Baez of the Chicago Cubs and a collage depicting winning the World Series by the Cubs were the auction items. Thanks to the generosity of the attendees that evening the Moose Lodge raised a profit of \$1,500.00. This will allow the Lodge to replace the lettering, add the lettering for the Moose and install the interior lighting.
